The Trip That Changed My Life

My trip to the United States was a big shock. One day, my mother said, "Go and packing your clothes. Tomorrow we are going to live in New York." The news were a complete surprise to me. I went to my room and sat on the bed for a long time. Then I called my best friend. The next morning. My mother and I got on a plane. I remember sitting next to the window and looking down on my city. I remember feeling scared about my future. After we landed in New York, my aunt picked us up and we went to stay with her. My life changed overnight, I will never forget that trip.
